Although the abovementioned is the current level turnover/income and is closely to the economic indicators, it may be more or less in future. Consequently this certificate does not serve as a guarantee that the income reflected will continue at the same level. Where the entity is a start-up enterprise this EME Certificate is valid only for contracts with a single value of less than or equal to R 5.0 million. Should the contract value being tendered for be higher than R 5.0 million and less than R35 million, the EME will be required to submit a QSE Verification Certificate with any tender. For contracts over R35 million a B-BBEE Verification Certificate based on the Generic Codes must be submitted.

The audited financial statements of the EME for the period ended contained the auditor's report issued by J L Henning Accounting CC. According to those audited financial statements turnover/income is less than or equal to R 5.0 million. Based on those audited financial statements and certain additional procedures as we considered necessary, we determined the level of Black Ownership/Black Women Ownership as set out in this Certificate to be a Level 4.

We do not accept or assume responsibility for anyone other than RPL ENGINEERING (PTY) LTD, for our work, for this report, or for the conclusion we have made.
